### Mainstream & Chick Lit

**The Life She Wants** by **Robyn Carr** (Paperback Release – \$18). In the aftermath of her husband's crimes and suicide, Emma Compton's world is shattered. Richard Compton stole his clients' savings to fund a lavish life in New York City and, although she was never involved in the business, Emma bears the burden of the fraud ... Only one friend stands by her, a friend she's known since high school, who encourages her to come home. But starting over isn't easy, and Sonoma County is full of unhappy memories, too. And people she'd rather not face, especially Riley Kerrigan ... Riley and Emma were like sisters – until Riley betrayed Emma. Emma left town, planning to never look back. Now, she is forced to turn to the last person she thought she'd ask for help – Riley. It's an uneasy reunion as both women face the mistakes they've made over the years. But if they find a way to forgive each other – and themselves – each of them can find the life she wants.
