**Cheat Sheet** by **Sarah Adams** (Print-On-Demand Paperback – \$35). Is it ever too late to leave the friend-zone? ... Hi, my name is Bree Camden, and I'm hopelessly in love with my best friend and star quarterback Nathan Donelson (as is half of America, judging by the tabloids and how much the guy dates). The first step is admitting, right? Except I can never admit it to him because he clearly doesn't see me that way, and the last thing I want is for things to get weird between us ... Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for us! Exactly how I like it! Yes. Good. (I'm not crying, I'm just peeling an onion.) Our friendship is going swimmingly until I accidentally spill my beans to a reporter after too much tequila, and now the world seems to think Nathan and I belong together. Oh, and did I mention we have to date publicly for three weeks until after the Super Bowl because we signed a contract with ... oops, forgot I can't tell anyone about that! Bottom line, my best friend is smudging all the lines and acting very un-platonic, and I'm just trying to keep my body from bursting into flames every time he touches me. How am I going to make it through weeks of fake dating Nathan without anything changing between us? Especially when it almost-sorta-kinda seems like he's fighting for a different outcome? Send help. XO Bree

**Punk 57** by **Penelope Douglas** (Print-On-Demand Paperback – \$30). We were perfect together. Until we met ... *Misha* I can't help but smile at the words in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ... That was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate what I find ... *Ryen* He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it.

**The Invitation** by **VI Keeland** (Print-On-Demand Paperback – \$32). The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city ... Hudson was a groomsman and the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts. I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time ... Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation? I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding ... Once caught, I couldn't get out fast enough.
