Store tea in an airtight container (tin, glass, ceramic) and keep in a dark dry place for freshness. Do not expose tea to bright sunlight or strong heat – as these will impact on quality and longevity. Keep black teas up to 12 months and green teas up to eight months (in ideal storage conditions).

Save money and help us to minimise waste: for loose leaf tea purchases – please bring your own storage container or bag in and get a discount of \$0.50 (excludes pre-packaged teas and bulk buys).
